Good Day Jane,

Please find my headshot attached. Find below my brief statement as to why I'm running.

Most obviously, I'm running as the most versatily apt and competent candidate, and thus your BEST candidate for Mayor, laying my gifts of academia, conferred expertise and experience as a doctoral level Environmental Scientist, Economist and Juris Doctorate, and thus lawyer, pursuing license to practice law, at the proverbial feet of Charlotteans. Less obvious for those who are just learning about me is my willingness to run to raise the standard of civility and positive relationships between city and county departments to realize more effective and ethical governance, and otherwise to employ that same mindset and grit to eradicate public corruption and restore Charlotteans' confidence in local government to ultimately inspire community oneness and a stronger Charlotte.

Please confirm receipt.

Kind regards,

Tigress
